

Neighborhood Crime Watch Newsletter

MARCH 1992

PATROL DISTRICT 35, BEAT 7

The Garland Police Department is warning everyone that an open, unattended garage is an invitation for theft. These crimes increase dramatically during the warmer months. If you are working in your yard, try to keep your garage door closed when your garage is out of sight. Boat and trailer thefts also increase this time of the year.

Crime Statistics (Oakridge Area) for the month of January, 1992
